

MUHAMMAD IZZUDDIN FADLURRAHMAN AR RABBANI

0822 8312 2739 | fafa.rabbani@gmail.com | linkedin.com/in/mizzuddinfar-rabbani/

Batam, Kepulauan Riau

I am a Creative Professional with dual expertise as a designer and software developer, experienced in creating digital solutions that are not only functional but also aesthetic and user-centric. Proficient in using various graphic design applications such as Adobe Photoshop, Illustrator and Coreldraw. My strength lies in the ability to combine sharp design thinking with technical skills in software development, full-stack web development. I am adaptive to the latest technology trends, have a strong work ethic, and am oriented towards results and efficiency. My commitment is to present digital solutions that have a real impact and bring added value to users and companies.
